From (Name) C.S.White Esquire, Solicitor,

(Designation) Asst.Registrar, High Court.

To The Secretary to the Government of Madras,

Law (General) Department.
(with enclosures).

Sir,

Court - Civil - Appointment of Additional Sub-Judge, Mangalore - Further retention from 1--12--1930 up to the commencement of the Summer recess, 1931 - recommended.
Reference:- G.O.No.Mis.4085 Law (General) dated 25--11--1929.

I am directed to state that the Hon'ble the Judges recommend the further retention of the appointment of Additional Sub-Judge, Mangalore with his establishment from 1--12--1930 up to the commencement of the summer recess of the Sub-Court, Mangalore, for 1931.

The total pendency on the files of the District and Sub Courts at Mangalore on 15--10--1929 on the basis of which the retention of the appointment was

recommended on the last occasion and on 1-10-1930 was as follows:-

Date.	Original Suits.	Appeals.	Small Cause Suits.
1-10-1929.	163	379	305
1--10-1930.	108	514	55
Total annual standard for the District Judge and the 2 Sub-Judges.	126	719	

There is an appreciable reduction in arrears. The two Sub Judges at Mangalore have together disposed of during the year from 1-10-1929 to 1-10-1930 155 Original suits and 449 appeals as against the standard outturn of 121 Original Suits and 406 appeals.

The pendency on the file of the Sub Court alone on 1--10--1930 was 99 Original Suits of which 34 were more than one year old and 51 appeals of which 30 were more than 6 months old. The District Judge reports that the existing arrears alone on the Original Side of the Sub Court will require one year for their disposal on the basis of the annual standard outturn of 98 contested and 23 uncontested original suits fixed for both the Sub Judges, and that all the pending appeals in the Court are very tough. He adds that a large majority of the appeals pending in the District Court also are old and heavy. He further reports that though both the Sub Judges are working strenuously they will not be able to clear off the arrears before the summer recess next year. In the circumstances the further retention of the Additional Sub Judge with his establishment from 1--12--1930 up to the commencement of the summer recess of the Sub Court, Mangalore for 1931 is considered necessary. I am, therefore, to request that His Excellency the Governor in Council may be pleased to issue orders accordingly.

4| Necessary provision has been made in the current year's budget estimate for the retention of the Additional Sub Judge and his establishment during the current year.
